

Dear Residents,

Welcome to **(BUILDING ADDRESS OR NAME)** _____

This property follows the City of Regina waste bylaws by collecting recycling, food and yard waste, and garbage. We appreciate your cooperation in placing waste in the designated bins to contribute to waste diversion from landfills. By doing so, we collectively extend the life of our landfill and protect the environment. Thank you for helping us make a positive impact.

The marked or labelled recycling, food and yard waste, and garbage containers are located **(INSERT LOCATION)** _____

Please sort your waste into the correct container. The items that are checked off are collected on-site:

Recycling – (insert container colour)

All recyclable materials must be empty, rinsed and flattened. Acceptable items for Recycling are:

- Paper - paper and cardboard
- Plastic – plastic bottles, tubs, jugs and jars
- Metal – tin cans
- Glass – bottles and jars
- Beverage containers – **Remember to remove the lids!**

Food & Yard Waste – (insert container colour)

The “Scrape the plate” acceptable items in the food and yard waste container are:

- Food scraps, including meat, bones, dairy, greases
- Tissues and napkins (soiled or clean), butcher paper and parchment paper, paper towels
- Yard waste, including grass clippings, leaves, plant and vegetable waste, bush/tree trimmings, up to 1ft thick and 3ft long branches (not from elm trees), sawdust
- Paper bags, Pizza boxes
- BPI-certified compostable bags

Garbage – (insert container colour)

Make sure your garbage is bagged/not leaking before placing it in the container. Items accepted in the garbage are any items that are not accepted in the other two containers including:

- Non-recyclable packaging and plastic film/bags
- Diapers and wipes
- Styrofoam packaging and meat trays
- Plastic cutlery and straws
- Toothpaste tubes and brushes, etc.

For disposal for the other items not collected onsite, like large bulky furniture, electronic waste, household hazardous waste and clothing, use the City of Regina’s Waste Wizard tool at Regina.ca/waste.

Thank you for doing your part.
